

JOB POSTING

Position: Field Services Technician – Rural Broadband

Reporting To: Broadband Network Manager & Department Director

Effective Date: July 2026

The Municipality of Pictou County (MOPC Network) is seeking a motivated and customer-focused **Field Services Technician** to help expand and maintain our rural broadband network. This hands-on role is ideal for someone who enjoys working outdoors, solving technical challenges, and providing excellent customer service while helping connect rural communities to reliable, high-speed internet.

Key Responsibilities

- Install, configure, troubleshoot, and repair fixed wireless and fibre-to-the-home (FTTH) broadband services.
- Complete customer installations, service calls, and equipment replacements.
- Perform fibre splicing, fibre drop installations, and customer premise equipment setup.
- Support preventative maintenance and repairs on network infrastructure, including tower sites.
- Complete signal testing and maintain accurate service documentation using network management systems.
- Represent MOPC Network professionally while delivering exceptional customer service.
- Perform other related duties as required.

Qualifications

- College diploma in electronics, telecommunications, or a related field, or an equivalent combination of education and experience.
- Experience with broadband, fibre optic, or wireless network installations is considered an asset.
- Strong troubleshooting, communication, and customer service skills.
- Ability to work independently and as part of a team.
- Basic proficiency with Microsoft Office.
- Valid Class 5 driver's licence with a satisfactory driver's abstract.

Employment Details

- **This is a two-year term position.**
- **The successful candidate will not become a member of the bargaining unit until successfully completing one (1) year of continuous employment**, after which the position will become subject to the applicable collective agreement.
- Continued employment beyond the two-year term is not guaranteed and will be subject to operational requirements and organizational needs.

Working Conditions

This position requires outdoor work in various weather conditions and includes climbing ladders, lifting equipment, and working at heights. The successful candidate must be available to work flexible hours, including evenings, weekends, overtime, and participation in an on-call rotation as operationally required.

Why Join MOPC Network?

Become part of a growing municipal broadband utility that is transforming connectivity across rural Pictou County. You'll work with modern fibre and wireless technologies while making a meaningful difference for local residents and businesses.

The Municipality of Pictou County is committed to providing an inclusive and respectful workplace. If you are passionate about technology, customer service, and helping expand reliable broadband services in rural communities, we encourage you to apply.

Closing Date & Applications

- We invite qualified individuals to submit their resume with cover letter by 4:30pm on July 10th, 2026.
- Personal information collected through the recruitment process will be used solely to determine eligibility for employment and handled in accordance with the Freedom of Information and Protection of Privacy Act, Nova Scotia.
- It is the policy of the Municipality of Pictou County to prohibit discrimination of any type and to afford equal employment opportunities to applicants without regard to gender, race, color, religion, sexual orientation, national origin, age, disability, or veteran status.
- If you require accommodation during the application and hiring process, please contact rhiannon.mcnair@munpict.ca.
- On behalf of the Municipality of Pictou County, we thank all those who apply; however, only those selected for an interview will be contacted.
