4. Policy Statements Requirements for Members of Council and Citizen Appointees

- 4.1. All Members of Council and citizen appointees to Committees of Council shall be required to be fully vaccinated against COVID-19 in accordance with Health Canada guidelines.
- 4.2. Members of Council and citizen appointees to Committees of Council shall provide proof of vaccination to the Chief Administrative Officer by way of showing their vaccination record.
- 4.3. Members of Council and citizen appointees to Committees of Council may also be required to wear masks and practice physical distancing while attending any services, programs, or facilities of the Municipality. Such decisions shall be informed by Public Health advice, best practices, risk assessments, and occupational health and safety obligations.
- 4.4. Should a Member of Council misrepresent their vaccination status or testing results, they shall be subject to provisions of the Council Code of Conduct.

Requirements for Members of the Public

- 4.5. Members of the public accessing any Essential Programs, Services, or Facilities of the Municipality may be requested to wear a mask and practice physical distancing. Such decisions shall be informed by Public Health advice, best practices, risk assessments, and occupational health and safety obligations.

- 4.6. Members of the public accessing any Non-Essential Programs, Services, or Facilities of the Municipality shall be required to be fully vaccinated and may be requested to wear a mask and practice physical distancing. Such decisions shall be informed by Public Health advice, best practices, risk assessments, and occupational health and safety obligations

Acceptable Vaccines & Proof of Vaccination

- 4.7. The Municipality shall consider an individual fully vaccinated 14 days after they have received the recommended Vaccine doses of any Vaccine or combination of Vaccine doses approved by Health Canada (currently two doses of one or more of the Pfizer, Moderna, or AstraZeneca Vaccines or a single dose of the Janssen (Johnson & Johnson) Vaccine).
- 4.8. If Health Canada requires or recommends that boosters of any of these Vaccines or other supplemental Vaccines are required, the Municipality shall provide notice to both (a) Council and citizen appointees, and (b) employees of any booster or supplemental Vaccine requirements.
- 4.9. Those Vaccines approved by another government and not duly approved by Health Canada shall not be considered acceptable.
- 4.10. Those subject to this Policy shall monitor their vaccination status to understand the extent of their immunity to COVID-19.

Duty to Accommodate and Human Rights Laws

- 4.11. The Municipality recognizes its duty to accommodate to the point of undue hardship any individual subject to this Policy that cannot be vaccinated, wear a mask, or be tested for COVID-19 for a reason protected by the Nova Scotia Human Rights Act and, upon request, shall engage in a collaborative process with the individual concerned to determine whether an accommodation is possible without undue hardship.

Confidentiality of Health Information

- 4.12. The Municipality shall not retain copies of vaccination records and shall only collect the minimal amount of personal health information possible to adhere to this Policy.
- 4.13. The Municipality shall maintain any personal information collected by cause of this Policy confidential in accordance with Part XX, Municipal Government Act.

4.14. This Policy shall be considered temporary, though fully in force until such time it is repealed by Council. This Policy is subject to revision or amendment in accordance with the evolving nature of the COVID-19 pandemic. This Policy shall remain in effect for only as long as it is required as to ensure the health and safety of Members of Council, committee appointees, and employees. Epidemiology and advice from Public Health shall inform any recommendation to repeal this Policy.
