Gary Boone was one of the original members of the N.S. Department of Sport and Recreation as well as the Regional Representative for the Highland Region, (Antigonish, Guysborough, & Pictou) from the mid 70's to 2001.

Gary supported the growth of sport and recreation in the Highland Region in the formative years, providing critical and essential leadership in establishing Recreation Committees, Commissions and Full Time Recreation Coordinator positions in all of the municipalities in Pictou, Antigonish, and Guysborough Counties. This was achieved between 1976 and 1980. Gary's commitment to leadership development, community development, with a strong conviction to collaboration resulted in the establishment of the Highland Region Recreation Coordinator's Association as it is now known.

Gary mentored many municipal recreation coordinators, commission and committee board members as well as volunteers in the sport and recreation sector; always to the end result of building leadership capacity in the Highland Communities.

Gary's foresight into the value of inter-municipal collaboration has helped to foster and sustain the longevity of the Highland Region Recreation Coordinators Association and by extension the group's ability to deliver joint projects and program such as this Leadership Development Program. The HRRCA would not exist today to collaborate on projects such as Highland Connect, Summer Recreation Leader Training, ongoing professional and volunteer support if not for Gary Boone's vision and dedication to the growth of sport and recreation in the "Highland".

*"If You Have the Knowledge, You Have the Responsibility"....* this is one of the leadership quotes from Gary which he practiced himself and for which we hope to support others to achieve through personal growth and development by means of the "GARY BOONE LEADERSHIP DEVELOPMENT FUND
